To be a participant in this prosperity class, each individual student commits to tithing of his/her time; that is, to attend church services and the prosperity classes weekly and to meditate daily on the ideas of prosperity during a twelve-week period. Each student commits to tithing of his/her talents; that is, to do some volunteer work for the church—or some other volunteer organization during the twelve weeks. Each student also commits to tithing of his/her treasure; that is, to tithe ten percent of his/her income to the church during the twelve weeks.

**This sponsoring church GUARANTEES that your life will be
more abundant at the end of the 12 week period
OR YOUR TITHING FULLY REFUNDED.**
